

Hampden Township  
Code Enforcement Officer

Hampden Township Community Development Department is seeking a qualified individual for full-time employment. The successful applicant shall perform all required field inspections and assist in the review of applications for permits under the building, plumbing, sewer, septic and other related codes and ordinances adopted by the Township. Candidates must possess a minimum of an Associates Degree in building construction or related degree and at least (3) years' experience as a Construction Code Official (per PA UCC) or superintendent of building construction working for a professional engineer, surveyor or architect. Compensation is commensurate with experience and includes full medical benefits and pension plan.

Application form and job description is available at the Township Office, Monday through Friday, 8:00 a.m. to 4:30 p.m. and at [www.hampdentownship.us](http://www.hampdentownship.us). Questions and applications should be directed to Darrell McMillan at 717-761-0119 or [dmcmillan@hampdentownship.us](mailto:dmcmillan@hampdentownship.us). Applications will be accepted until 4:30 p.m., April 21, 2017 or until position is filled.

Keith B. Metts, Township Manager  
Hampden Township
