

FLEET MANAGER

The City of Harrisburg is accepting applications for the position of Fleet Manager in the Department of Public Works, Bureau of Vehicle Management. This management position is responsible for fleet administration and operations in the maintenance and repair of automotive and light and heavy equipment. An employee in this class supervises a staff of administrative personnel, skilled tradesmen, semi-skilled and unskilled employees in the maintenance, repair, overhaul and inspection of automotive and other related equipment and in the performance of other garage-related duties. Work involves instructing subordinate personnel in fleet management policy and procedure, instructing tradesman in the assembly and adjustment of motorized equipment, practices and procedures in troubleshooting, developing and administering rules and regulations governing equipment inspection and safety, and other Bureau duties as assigned. This is a management, FLSA-exempt position.

Qualified candidates will possess a high school diploma or equivalent; college courses in business preferred. Two years management experience in fleet management, vehicle maintenance and repair facility operations preferred. Must be proficient with Microsoft software and have a working knowledge of GIS. Other equivalent combinations of experience and training which provide the required knowledge, skills and abilities may be considered. Certified Notary preferred. Valid Pennsylvania Driver's License, Class C required.

The annual salary range is \$50,000 to \$55,000 (commensurate with experience and qualifications), plus an excellent benefits package.

The City intends to fill this position as soon as possible. It will remain open until filled. If interested, please submit a cover letter, your resume, three employment references and salary history, without delay, to:
