

Lower Paxton Township

Maintenance Mechanic I

Sewer Dept.

Lower Paxton Township possesses a vacancy in the position of Maintenance Mechanic I in the Sewer Dept. This is a full-time position.

The Maintenance Mechanic I is an entry level position in the Sewer Department. The position performs skilled manual work in construction and maintenance of the sanitary sewer systems. The Maintenance Mechanic I performs manual work in the sanitary sewer system using hand and power tools, operates vehicles and mechanical equipment, and acquires skills on the job. Work also involves equipment maintenance duties and the performance of related work of an unskilled nature.

The Maintenance Mechanic I is required to apply judgment based upon training and work experience. This employee works independently under general supervision. Duties are assigned with detailed instructions; proper work methods are often demonstrated; and work is subject to supervision in progress. Duties are often routine in nature and, once learned, may be performed independently. The Maintenance Mechanic I is directly responsible to the Crew Leader

The rate of pay for the Maintenance Mechanic I shall be in accordance with the Sewer Department collective bargaining unit agreement for existing personnel which is \$16.96 hour. The hours of work for this position will typically be between 6:30 a.m. to 2:30 p.m.

Interested candidates must submit resumes, including a "Lower Paxton Township Application for Employment". Copies of applications are available at the Municipal Building or on-line at www.lowerpaxton-pa.gov. (resource page - employment opportunities).

Candidates must possess a valid Pennsylvania Driver's License.

Lower Paxton Twp. is an Equal Opportunity Employer
