

Wastewater Treatment Plant Operator

The Silver Spring Township Authority is presently accepting applications for Wastewater Treatment Plant Operator. The Operator works under the direct supervision of the Plant Superintendent and is responsible for assisting in all facets of operating and maintaining the 1.2 MGD wastewater treatment facility, the sewer collection system, and 22 sewage pump stations. The Operator will be required to possess a PA Class B, Subclass 1 & 4 Wastewater Operator License to be considered for this position. The ability to take direction and work in a team environment as well as independently is essential in fulfilling the requirements of this position. A minimum of five years of experience in wastewater facility operations is required and preference shall be given to individuals that possess supervisory experience.

Minimum requirements for application include the possession of a high school diploma or equivalent, a valid Pennsylvania Driver's License, a PA Class B, Subclass 1, 4 Wastewater Operator License or higher and the ability to undertake and complete the responsibilities of the post independently. Weekend shift rotation and emergency call-outs are required of this position.

Employment applications and job descriptions may be obtained at the Silver Spring Township Authority Office or www.sstwp.org; click "Township Services", "Sewer Authority", "Employment", and then click on "Employment Application" to locate document. Applications will be accepted until the position is filled.
