

PA UCC BUILDING INSPECTOR

Fairview Township, York County, is accepting resumes for the full-time position of a Pennsylvania Uniform Construction Code (PA UCC) Building Inspector. Primary responsibilities include building construction plan review; issuance of building permits; inspection of the same in accordance with the PA UCC; and property maintenance inspections in accordance with the adopted International Property Maintenance Code. Candidates are required to have valid PA UCC certifications for Residential Inspector (Building; Mechanical; Plumbing; Energy; Electrical), Accessibility Inspector/Plans Examiner and Commercial Building Inspector. Candidates who possess additional PA UCC Commercial Inspector/Plans examiner certifications, as well as any planning, zoning or municipal experience are preferred. Candidates should have strong communication, interpersonal, computer experience, and organizational skills. A valid Pennsylvania driver's license is required. Highly qualified applicants have the ability to earn up to \$32.00/hr. Fairview Township offers paid vacation, a pension plan and a health benefits package. For a full job description, please see our website at www.twp.fairview.pa.us. Interested applicants should send a Letter of Interest, copies of certifications along with a resume in confidence to: Fairview Township, C/O Codes Admin. Director, 599 Lewisberry Road, New Cumberland, PA 17070 OR via e-mail to zoning@twp.fairview.pa.us. Resumes will be accepted until the position is filled. EOE
