

**Mechanicsburg Borough  
Public Works Maintenance - Compost Site**

The Borough of Mechanicsburg is seeking a full time Maintenance worker with equipment operation experience and a Class B CDL license to join our Public Works maintenance team. The full-time position is a Monday through Friday, 7 AM to 3 PM, with summer hours of 6 AM to 2 PM.

The job responsibilities include the operation of the Joint Compost facility in coordination with Silver Spring Township. The successful applicant would work with the Borough Highway Department during leaf collection and snow removal and other projects, as needed. Good communication and time management skills, mechanical ability, basic computer skills and be able to work independently are required. Prior Management experience preferred.

Salary will be determined based on experience. The position includes a full benefit package.

Application packets are available on the Borough website [www.mechanicsburgborough.org](http://www.mechanicsburgborough.org). Applications will be accepted until the position is filled.
