

# **Stormwater Management Program Coordinator**

## ***(Environmental Planner)***

### **Susquehanna Township**

Susquehanna Township has an immediate opening for a full-time Stormwater Management Program Coordinator in the Community & Economic Development Department. The Stormwater Management Program Coordinator develops, coordinates, and implements various programs and projects related to the Township's Municipal Separate Storm Sewer System (MS4) Permit and coordinates the Township Authority's Stormwater Utility Fee program.

The qualified candidate will have a combination of education and experience which indicates the ability to perform the duties of the position. An example of acceptable qualifications for this position is the completion of a bachelor's degree in environmental planning, geography, environmental science, landscape architecture, or a closely related field, and a minimum two (2) years working in the field to include experience with municipal operations and natural resource management. Must either possess or obtain certification as a Chesapeake Bay Landscape Professional within 6 months of employment and must either possess or obtain certification as a Floodplain Manager within 12 months of employment. Must possess a valid PA Driver's license. Salary based on experience and qualifications, ranging from \$60,000-\$70,000. A complete job description is available at [www.susquehannatwp.com/swmcoord](http://www.susquehannatwp.com/swmcoord).

The Township intends to fill this position as soon as possible. Applications will be accepted until the position has been filled. To apply, submit a cover letter, resume, and three professional references to: Betsy Logan, Director of Community and Economic Development, Susquehanna Township, 1900 Linglestown Road, Harrisburg, PA 17110 or email to [blogan@susquehannatwp.com](mailto:blogan@susquehannatwp.com). Susquehanna Township is an EOE.
