

**WASTEWATER SYSTEM MAINTENANCE WORKER I
UPPER ALLEN TOWNSHIP SEWER DEPARTMENT**

Upper Allen Township is seeking applicants for the position of Wastewater Maintenance Worker I in the Sewer Department. Position requires a high school diploma or equivalent. The Wastewater System Maintenance worker is responsible for a wide variety of manual tasks to include plant and pumping station routine maintenance, wastewater sludge processing, and assistance with sewer televising and field investigations. Position requires lifting up to 60 pounds unassisted and requires a basic knowledge in the use of hand and power tools as well as the ability to work under adverse weather conditions. Must have a valid PA driver's license and safe driving record. Ability to obtain a CDL license within one (1) year of employment required. A basic understanding of Microsoft Word and Excel is desirable. Experience with operating pipeline televisual inspection equipment is also a plus.

The starting salary for this position is \$37,440 plus benefits which include Capital Blue Cross, medical prescription drugs, vision, dental and life/disability insurance. Other benefits include 401K plan, paid holidays, sick days, personal days, and vacation.

The application form may be found on the Township website (www.uatwp.org) or may be obtained in person at the Township building, 100 Gettysburg Pike, Mechanicsburg, PA 17055 Monday thru Friday from 8 a.m. to 4:30 p.m. Applications/resumes may be mailed to the Township or emailed to sluker@uatwp.org. Applications will be accepted until the position is filled. Upper Allen Township is an equal opportunity/affirmative action employer M/F/D/V.
