The term "or approved equal" is defined as and means any other made equal in material, workmanship and service, and as efficient and economical in operation. An article meeting those or comparable conditions may be accepted.
9. Products herein specified must be delivered at prescribed locations in the manner requested.   - b. **Delinquent Taxes.** It is the City of Harrisburg's intent in accordance with Section 2-307.6(b) of the Codified Ordinances to prohibit the execution and issuance of any purchase order or other CONTRACT to any person who is indebted to the City for any delinquent taxes or municipal claim individually or as a principal of an indebted corporation, partnership or association. Any such entity found indebted to the City in accordance with this article shall be deemed to be a non-responsible vendor and remain so until such debts including all penalties, interest and costs associated with same have been satisfied.
14. The bidders hereby agree to save harmless and fully indemnify the CapCOG and all its officers or agents from all damages, costs or expenses that may at any time be imposed or claimed from infringement of any patents rights by persons, association or corporation as a result of the use by the CapCOG, or any of its officers, agents or employees of article(s) supplied under this contract and of which the bidder is not the patentee, assignee or licensee.
15. **Bid Bonds** - Bidders must comply with all requirements for bonding as follows: Each bid proposal must be accompanied by a certified check, bank cashier's check or surety bid bond in favor of or payable to the CapCOG in the amount of not less than 10 percent of the bid price; in no event shall the check or bid bond be less than \$50, although 10% of the bid price would be a lesser figure than \$50. If a surety bid bond is utilized, it shall be mandatory that the bid bond specifically identify the bid and the date of the bid (which shall be on or before the date of the bid bond), which it accompanies.

16. **Bid Bonds** - It is mandatory that the power of attorney accompanying the bid evidences the authority of the person signing on behalf of the surety company to sign the bid bond. This information can be obtained at ECMS HOMEPAGE Construction Projects/Resources/Asphalt-Diesel prices.

All bids submitted shall be based on the January 2020 Current AC Index price per ton.

21. The Vendor shall submit a copy of the Vendor's PennDOT Approved Formula for all bituminous products being bid to the CapCOG office and any CapCOG participating municipality/organization requesting the same with the method of computation regarding any increase/decrease of such items.
22. All materials, equipment and/or supplies must conform to the current Federal regulations and of the Department of Labor and Industry, PennDOT and any other departments having established state standards, by the Commonwealth of Pennsylvania.
23. Inspection of materials or in-place services performed is permitted by the representatives of the CapCOG member municipality/organization. The municipality/organization may reject all products or services not meeting specifications. If a vendor furnishes articles not meeting specifications and does not replace such article, or there is a failure to deliver any purchases/in-place services within a specified time, the municipality/organization may purchase the same in the open market, deduct the expense, including any excess in price over that called for in the contract from the amount due the bidder from the CapCOG and its member municipalities/organizations.
24. The bidder warrants to the CapCOG the price in this bid is neither directly nor indirectly the result of any agreement with any other bidder.
25. The CapCOG reserves the right to increase or decrease the quantity of the above materials/services in accordance with the requirements of its member municipalities/organizations.
26. The CapCOG reserves the right to reject any and all bids, to waive non-mandatory technical defects and to accept or reject any part of any bid, if in its judgment the best interests of CapCOG members are thereby served. For FOB pick-ups, the CapCOG may consider travel time, distance, mileage costs, vehicle operation costs, man-hours spent and other municipal expenses in consideration for FOB pick-ups to determine the lowest, most responsible bidder.

27. **Withdrawal of Bids.** The withdrawal of any bid may not result in the awarding of the contract of another bid by the same bidder, his partner or a corporation or business owned by or in which he has a substantial interest. No bidder who withdraws a bid shall supply any material or labor to, or perform any subcontract or other work agreement for any person to whom a contract or subcontract is awarded in the performance of the contract for which the withdrawn bid was submitted, without the written approval of the contracting body.
